# CREATIVITY. INDIVIDUALITY. ORIGINALITY.

Our new Project Showcase Guide gathers examples of great architecture, construction, and ceiling systems across the region. It collects outstanding solutions and creates an inspirational handbook filled with ground-breaking projects.

Let it inspire you to create your most stunning designs yet!

Discover the challenges and advances shaping the industry with projects that exemplify the latest trends and tackle the issues that matter to us in architecture and construction. Whatever design challenge you face, we hope you will find insights and ideas to meet them within these pages.

Keep it close to hand and look to it when you are seeking that next big idea - there is something here to help everyone create the next amazing space.
